Professional summary

Motivated and passionate Full Stack Developer with a strong foundation in React, Node.js, and MongoDB. Seeking to leverage my skills and certifications to build scalable web applications and contribute to innovative projects in a growth-focused organization.

Education

Bachelor of Computer Applications (BCA)

Aditya Degree College (Affiliated to Andhra University) | 2022 – 2025

12th Standard

BIOP Senior Secondary School, Kirandul, Chhattisgarh | 2021 – 2022

10th Standard

Prakash Vidhyalaya ICSE School, Kirandul, Chhattisgarh | 2020

Technical Skills

- **Languages:** Java, JavaScript
- **Frontend:** HTML, CSS, ReactJS, Tailwind CSS
- **BackEnd:** NodeJS, ExpressJS, MongoDB
- **Tools:** Version Control, VS Code, IntelliJ Idea CE
- **Cloud Computing:** AWS (EC2, S3, Lambda)
- **Other Skills:** Responsive web Design.

Projects

Product Management

march 2025 – april 2025 Developed a Product Management App using React.js and Tailwind CSS. Implemented full CRUD functionality with responsive UI and dynamic state handling.

WeatherApp

Oct 2024 – Nov 2024 Developed a real-time weather app using HTML, CSS, and JavaScript. Integrated public API to fetch weather data and implemented a responsive design.

Stop Watch

Dec 2024 - Jan 2025 Developed a responsive stopwatch using React with start, stop, reset, and lap functionalities. Utilized React Hooks for state management and deployed the app using Github pages.

Internship Experience

AI/ML (Ulearn)

Duration: 10/02/2024 – 02/07/2024

- Utilized strong communication skills to collaborate with teams, deliver clear updates, and present concise reports.
- Applied analytical skills to solve complex problems, analyze data, and provide actionable insights.
- Demonstrated reasoning skills in troubleshooting issues, prioritizing tasks, and evaluating project outcomes.

AWS Cloud Computing (Adhoc Network)

Duration: Dec 5, 2024 – Mar 15, 2025

- Developed, deployed, and managed scalable cloud solutions using AWS.
- Applied cloud computing best practices to ensure efficient and secure application deployment.
- Gained hands-on experience in AWS services, including EC2, S3, and Lambda.

Certifications

- Version Control(Meta)
- Introduction to Back-End Development(Meta)
- Programming in Python(Meta)
- AI/ML Internship (Ulearn)
- AWS Cloud Computing Internship (Adhoc Network)

Achievements

- Achieved **98.74% in Naukri Campus YoungTurks Round 1**, demonstrating strong analytical skills.
- Participated in **Adhoc Aditya Tech Fusion Hackathon**, developing an innovative Android app using Android Studio.
- Selected for **Wipro WILP** (Work Integrated Learning Program) through off-campus recruitment, 2025.
